

LOSE OLD RESIDENTS

V. PRICE BROWN AND FAMILY ARE MOVING TO FRESNO

Mr. and Mrs. V. Price Brown and family, of 147 South Louise street, are leaving Glendale and transferring their home to Fresno, where Mr. Brown will continue in the hardware business, but with another concern. For twenty-four years he has been with the Smurr Damerel Company of Los Angeles, of which he has been office manager and credit man for some time. It is a decided wrench to leave that firm, but the proposition he has received from Fresno is one which he feels he can not afford to turn down and his firm here acquiesces in the wisdom of his decision. Fresno is a fine business point which has the trade of a large and rich agricultural district, and he is looking forward to his new connection with great hope and confidence. He will now be associated with the Barret Hicks Co. His family will not leave Glendale until the expiration of the school year and when that time comes it may be that there will remain only himself, his wife and his daughter Dorothy to take up their residence in Fresno, for his oldest son, Earl, is in the army and is now at the Wright Brothers Aeroplane Factory at Dayton, the government having sent him to those shops for special training, and his son Milton, who will be graduated from the High School in June, declares he is going into the service as soon as he completes his course.

Mr. Brown has lived in Los Angeles County for forty-four years. He has long been a resident of Glendale and built the first house on Brand boulevard north of First, a house now occupied by Mr. and Mrs. A. W. Beach. He has therefore witnessed all the development of the city. He is an old member of the Masonic Lodge and a new member of the Elks' Lodge, and is finding it very hard to leave these organizations and the many friends that he and his family have acquired here.

AUTO COLLISION

There was an auto accident on San Fernando road last Wednesday afternoon about 5:30 o'clock at Sycamore avenue, in which county officials are said to have violated traffic regulations. As it was outside Glendale's jurisdiction, the local police had nothing to do with the case. As reported, the county sheriff's car was running from Burbank to Los Angeles at a high rate of speed and in it were two deputy sheriffs and two prisoners. At the point named the car attempted to pass a truck driven by a Japanese, and in doing so took the wrong side of the road and collided with a car in which were a Mrs. Mulligan of Colorado street, her brother, Mr. Grosse, and her two daughters. Both cars were put out of commission but no serious hurt resulted to the occupants of the sheriff's auto. Mr. Grosse had two ribs fractured and was slightly cut by glass but not completely disabled. Mrs. Mulligan did not suffer except from nervous shock and the two girls were unhurt. They were given first aid at the Mission Rest Hospital at 525 San Fernando boulevard and were taken home by Mrs. Moberly (who conducts the hospital) in her own car.

BOOTH IS FOOD ADMINISTRATOR

Clinton L. Booth, whose business office is 1005 West Broadway, Glendale, has been appointed food administrator for the territory of Los Angeles County comprising Greater Glendale and Casa Verdugo. Harry Dranger, Assistant Food Administrator of Los Angeles County, was in Glendale Friday forenoon and made the appointment.

Local grocers and all others wishing to learn concerning the laws governing the sale of foods should communicate with Mr. Booth.

A general meeting has been called at Los Angeles at which all the county food administrators will be present for the purpose of becoming posted concerning their work and duties.

TRUSTEES' MEETING

HEARING OF PROTESTS AGAINST BROADWAY IMPROVEMENT CONTINUED TO TUESDAY

The Board of Trustees met in regular session at the City Hall at 7:45 p. m. March 21, 1918. All members present at roll call.

The minutes of the last regular meeting were read and approved.

At 8:05 p. m., on motion of Trustee Woodberry, it was ordered that the hearing of protests against the improvement of Broadway be taken up. The Clerk read a protest filed by a large number of property owners in the district to be assessed for the improvement. A number of protestants were present and expressed their views on the subject, the general tenor of the remarks being to the effect that while the protestants recognized the desirability of the improvement, in their opinion, owing to disturbed financial conditions, it is desirable that the work be postponed, as many of them felt that they could not bear the expense at this time. Dr. Harrower, who had signed the protest, stated that his view of the matter had changed, and requested that his name be stricken from the list of protestants. Mr. Denney spoke in favor of the improvement going ahead.

Trustee Woodberry stated that if the matter was only in its inception, he would not under present conditions favor proceeding with the work, but the matter has been running over a considerable time, and he believed it to be due to the property owners who had paid for the opening and widening proceedings that the work of improvement should be proceeded with.

On motion of Trustee Muhleman, the protest was referred to the City Engineer to check up the area represented upon the same and report to the Board.

Trustee Grist made a motion, which was adopted, that when the Board adjourn, it be to meet March 26th at 7:30 p. m.

On motion of Trustee Muhleman, it was ordered that the hearing of protests against the improvement of Broadway be continued until Tuesday evening, March 26th, at eight o'clock.

On motion of Trustee Grist, bids to supply the city with an automobile were opened, read and publicly declared. On motion of Trustee Muhleman, the bids were referred to the Committee of the Whole.

A letter was read from the Gorman Fire Apparatus Company giving notice of a time limit being placed upon their bid for installing a pump on the Knox Combination Wagon now in service in this city, stating that the proposition would be withdrawn in ten days from this date unless the same was accepted. On motion of Trustee Grist, the communication was ordered to be received and filed.

A communication was read from the California State Board of Health calling attention to the fact that the City of Glendale has not as yet applied for a permit to use the water system now being operated by the city, as required by law. On motion of Trustee Woodberry, the Manager of the Public Service Department was authorized to make the application required.

On motion of Trustee Muhleman, a resolution was ordered to be read. On motion of Trustee Jackson, the same was adopted, making application to the State Board of Health for a permit to "use existing water system belonging to the City of Glendale, including the gravity water source in the Verdugo Canyon, and the wells on San Fernando Road at Grand View Avenue."

A communication was read from the City Manager recommending that the Board accept the bid of Thom Shima for gathering and disposing of city garbage, and that contract for the same be signed by the President of the Board. On motion of Trustee Woodberry, the recommendation was agreed to, and the signing of the contract authorized.

A communication was read from the City Manager recommending that the Board authorize the sale of the Harley-Davidson motorcycle, Model 17-T, Factory No. 4486 to Joseph H. Aguilar for \$150.00, as per terms of lease prepared by the City Attorney. On motion of Trustee Jackson, it was so ordered.

On motion, Resolution No. 995, "A Resolution of the Board of Trustees of the City of Glendale ordering that a portion of Colorado Street (formerly Sixth Street) in said city, be closed up, vacated and abandoned for street and highway purposes, as contemplated in Resolution No. 982," was taken up for reading. On motion of Trustee Woodberry, the same upon being read was adopted.

(Special Service to Glendale Evening News)

LONDON, March 22.—British military officials are confident that the big German drive will be stopped, but sounded the warning that the world's destiny may depend on the human wall against which the enemy is hurling shock troops. Correspondents at the front agree that the enemy is trying the nutcracker on the Cambrai salient, seeking to cut off an enormous number of British men and guns.

FRENCH HOLD POSITIONS

REPULSE STRONG ENEMY RAIDS OVER A WIDE AREA IS REPORT OF WAR OFFICE

(Special Service to Glendale Evening News)

PARIS, March 22.—Strong German raids over a wide area of the French front were repulsed, the French war office reported. At one point the French drove the enemy from advanced positions where they had obtained a temporary foothold. South of Juvin-court in the Chemin des Dames sector, where the Americans are operating, strong raids were repulsed. Strong artillering is under way in the Mons region and along the right bank of the Meuse.

HINDENBURG'S FIRST THRUST CHECKED

LATEST REPORTS SAY SITUATION HAS QUIETED DOWN WITH ENEMY HAVING GAINED NO OBJECTIVE

(Special Service to Glendale Evening News)

WITH THE BRITISH ARMY IN FRANCE, March 22.—British troops are holding the Germans back in some places. The latest reports indicate that the enemy has not reached a single objective, which, according to captured maps, included Hornies, Achet-le-Petit, Boiry and St. Martin. British counter attacks threw the Germans back at Voignen, which the British still occupy. The Germans have not used tanks on this front so far. Their artillery is operated in the open under a camouflage. German prisoners declare their batteries suffered heavily. Hindenburg's first thrust was apparently checked with small gains. The situation has quieted down save in the region of Dengvillie, where heavy shelling continues.

HONOR OLD FRIENDS

Mr. and Mrs. Henry Johnston of 335 Everett street were host and hostess Tuesday at a pretty luncheon in honor of old friends from the east who have been spending the winter in Southern California. The luncheon, which consisted of several courses, was given at the home of Mrs. William Thomson, 136 South Jackson street, who is acquiring quite a reputation as a caterer. The table, which was daintily in all its appointments, was centered with freesias and jonquils which gave a delightful suggestion of spring. Guests were Mrs. Mattie Stone of Omaha, Mrs. H. Newcomer of Illinois, Mrs. Augusta Woodcock of Los Angeles, Mrs. R. C. Reynolds of Los Angeles, Dr. and Mrs. Bryant of Glendale, and Mrs. W. N. Johnston of Glendale.

PASSING OF LINCOLN STARBUCK

Lincoln Abbott Starbuck of 1496 Dryden street, fell asleep Wednesday, March 20th, aged 32 years, one month and nineteen days. Deceased leaves to mourn a devoted wife, Rena Starbuck of Glendale, a mother, Mrs. Flora Starbuck, and one brother, H. G. Starbuck of Birmingham, Ala.

Mr. Starbuck was ill but four days and his death will come as a great shock to his many friends. He was a young man of sterling worth and highly respected by all who knew him. He was a salesman for the Wholesale Typewriter Company of Los Angeles. Funeral services will be held in the parlors of the Jewel City Undertaking Company today, Friday, at 1:30 p. m., after which the remains will be shipped to Birmingham, Ala., for interment.

The Parcel Post Service from the United States to Liberia has been suspended, therefore, until further notice.

NEW ORGANIZATION

PLANS MADE LAST NIGHT FOR THE THIRD LIBERTY LOAN DRIVE

A very stirring and important meeting of the Liberty Loan organization of this district was held at the Red Cross headquarters last evening.

He forcefully showed the absolute necessity that every man and woman in this country put their shoulders to the wheel and strain every muscle. This war is the biggest job we've ever undertaken and we've got to put it over.

A complete card index giving name, address, telephone, etc., of every man and woman in this district has been prepared.

These committeemen are acting entirely without pay. You are asked to treat them with courtesy. They are not peddlers. They are acting as assistants to the Secretary of the Treasury of the United States. Their work is of utmost importance.

We are all soldiers; we've got to do our duty. Financial "deserters" are just as disloyal as the soldier who fails to do his duty and deserve the same treatment.

H. T. Mattern told how the Second Liberty Loan was put over in Pasadena. He outlined the plans and tactics for the local committeemen to follow. His talk was filled with amusing and interesting incidents that happened when carrying on this work in Pasadena at the last loan.

Mr. Coulson has agreed to speak at a public meeting to be held next Thursday evening at the High School auditorium. His talk will be filled with interesting and authentic facts as to just what this country is doing. More information of this meeting will be given later.

The meeting last night was filled with enthusiasm. It was the unanimous sentiment that the loan must be a big success. Everyone present realized the importance of the job on hand and expressed a desire to do

EAST SIDE DINNER

BUSINESS MEN BANQUET AT JEWEL CITY CAFE FRIDAY EVENING

About forty of the business men of Broadway east of Jackson street arranged for a seven o'clock dinner at the Jewel City Cafe Thursday evening. Mr. and Mrs. S. L. The Jewel City Cafe, which was formerly the Ginger Tavern, is peculiarly adapted to entertainments of this character. Those present were J. C. Sherer, R. M. McGee, J. M. Smith, L. L. Smith, Dr. H. R. Harrower, James Webb, J. H. Denham, S. W. Brown, Mr. and Mrs. H. G. MacBain, Mr. and Mrs. Wallace Tupper, Mr. and Mrs. J. A. Newton, R. Roberts, Mr. and Mrs. R. M. Brown, Mr. and Mrs. Herman Nelson, D. S. Phillips, Dr. and Mrs. Young, Dr. J. P. Lucecock, Dr. Diederick, G. W. Watson, Mr. and Mrs. C. W. Ingledue, Miss Ingledue, Spencer Robinson, A. T. Cowan, F. At the close of the dinner S. S. Elliott announced that he thought it a good plan for as many of those present who found it convenient to go to the city hall and say a word in favor of the opening and widening of Broadway, as he understood a protest had been filed against it. Dr. H. R. Harrower, Spencer Robinson, C. W. Ingledue and others spoke briefly upon this question.

EXEMPTION BOARD ACTIVITIES

Three men eager to get into the employ of Uncle Sam as soldiers, were sent forward by the Exemption Board today, and each one wore the smile that doesn't come off. The men were:

John Howard Harding of Eagle Rock, who has gone to Rockwell Field.

Gilbert M. Van de Water, of 1538 Strickland avenue, who has gone to Fort McDowell.

Le Roy Perkins of Glendale, who goes first to Fort Douglas, Utah, to be sent eventually to the 452d Engineers at Fort Meyer, Va.

Chairman Lanterman and Mrs. Jackson, the chief clerk, are closely occupied with the preparation of a full list of delinquents to be sent to Adjutant General Borree, that the federal authorities may get busy looking the men up.

CANDY FOR SOLDIERS

Thursday afternoon pupils of the Sixth Grade of the Columbus avenue school, with the help of their teacher, Miss Maybelle Douglas, and Mrs. Jack Boettner, manufactured at the Red Cross Shop, 318 Brand boulevard, about fifteen pounds of delicious candy, of pinoche, fudge and taffy brittle. This was the product of self sacrifice on their part and it will all be sent to Sergeant Hugh Freeman and Robert Watling, now with the Expeditionary Force in France, who were once pupils in the Columbus avenue school.

RED CROSS JOTTINGS

Mrs. Ezra Parker, Chairman of the Knitting Department of the Glendale Red Cross Chapter, has reported that "things came in to beat the band" on Thursday and the department will have a big shipment to send to San Francisco which will go forward the last of this week or the first of next. A good many helmets will be sent this time.

Mrs. Edgar D. Pack was instructor in the Surgical Dressings Department Thursday, in which ladies worked as follows: Mesdames W. L. Robison, Mollie McClelland, Joe Hawkins, C. L. Bullard, W. R. Cleveland, Archie Parker, Thomas Wood, H. M. Oswald, A. L. Lawshe, Mary Blackburn, J. F. Libby.

GET READY FOR THE THIRD LIBERTY LOAN

—We have but one job on hand: The successful conduct of this war.

—The Third United States Liberty Loan drive opens April 6th.

—The Slogan is "Give Until It Hurts."

—What are YOU going to do?

—Can we be more reluctant with our dollars than the lives of our soldiers and sailors in France?

—We are called upon to loan our money to our government and we must all do our share.

—A complete index of every man, woman and child has been prepared. You will be called upon and asked to put every dollar possible into Liberty Bonds.

—These men are acting as agents of the Secretary of the Treasury of the United States entirely without pay. You will be expected to treat them with courtesy and above all to "Buy Bonds."

—Permanent records will be kept of those who subscribe and those who do not. These records are not private.

—The quicker we show our adversaries that we "Mean Business" the sooner the war will end.

—Let's over-subscribe this loan in the first few days of the drive.

—The date is April 6th. Be ready.
